T18P

Professional-Grade Trimmer

United's T18P paper trimmer is designed for precision, durability and portability. Its high-carbon steel blade with ergonomic handle allows users to accurately trim up to 40 sheets at a time. The full-length paper clamp automatically engages as the blade is lowered providing outstanding accuracy.

Safety is essential with the T18P, which features an ABS plastic shield to keep hands away from the blade. It's built with a rugged steel base that won't warp or crack, standard/metric alignment grid and blade lock for safe transport.

The United T18P cuts stacks up to 5/32" high and is ideal for offices, schools, churches and small print shops.
