- ✓ Back gauge features inch/metric markings and is easily adjusted with a thumbscrew

- ✓ Complete tool kit for blade changing, adjustments, and general maintenance

C12 Tabletop Guillotine Cutter

United's C12 Guillotine Cutter is rugged and compact with a hardened steel blade and LED Laser Line which shows exactly where the blade will cut. Load paper, secure with the clamp and push the lever arm for quick, accurate cuts every time.

Standard features include calibrated scales and back gauge to make fine adjustments, and a complete tool kit for general maintenance and blade changing.

Don't forget safety. Front and rear transparent covers, blade lock, external blade depth adjustment, and easy-to-use blade changing handles ensure operator safety

The C12 is ideal for small print shops and anyone who wants to produce professional-quality brochures, invitations and more.
