- ✓ Printed grid and locking side guide for precise alignment

- ✓ Self-sharpening rotary blade safely cuts in both directions

RT37S

Rotary Trimmer with Stand

The RT37S rotary paper trimmer is designed for accuracy, durability and safety. Its self-sharpening rotary blade cuts in both directions and is housed in a rugged cutting head providing a high level of safety. The full-length paper clamp automatically engages as the blade passes by for accurate cuts every time.

The RT37S is constructed with a rugged steel base and stand, standard/metric alignment grid, a locking side guide for precise alignment, and a fabric catch tray for easy cleanup of paper trimmings.

The United RT37S cuts stacks up to .039" high and is ideal for offices, schools, churches, art studios and print shops.
