F200

Tabletop Document Folder

The United F200 Document Folder is an ideal solution for low-volume folding projects. This compact unit processes up to 8,600 sheets per hour in 11" and 17" paper sizes. It's clearly marked for 4 common fold settings.

The LCD control panel features a resettable 3-digit counter and automatic batch settings to process a specific number of sheets with a pause between sets, for easy unloading.

The output conveyor includes easily adjustable stacker wheels for neat, sequential stacking of folded pieces.

The clearly-marked fold settings and simple out-of-the-box operation make it the perfect addition to schools, churches, and offices looking for easy setup and minimal adjustments.
