✓ Printed grid guide for precise alignment

✓ Self-sharpening rotary blade safely cuts in both directions

RT12 Rotary Trimmer

The RT12 rotary paper trimmer is designed for accuracy, durability and safety. Its self-sharpening rotary blade cuts in both directions and is housed in a rugged cutting head providing a high level of safety.

The RT12 is constructed with standard/metric alignment grid, perfect for precise measurements.

The United RT12 cuts stacks of up to 10 sheets of standard copy paper. This model is ideal for crafting, small offices, schools, churches, and small print shops.
