- ✓ Printed grid guide for precise alignment

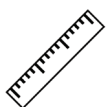

- ✓ Self-sharpening rotary blade safely cuts in both directions

RT12 Rotary Trimmer

The RT12 rotary paper trimmer is designed for accuracy, durability and safety. Its self-sharpening rotary blade cuts in both directions and is housed in a rugged cutting head providing a high level of safety.

The RT12 is constructed with standard/metric alignment grid, perfect for precise measurements.

The United RT12 cuts stacks up to 5/128" high and is ideal for offices, schools, churches, art studios and print shops.
