HT5

Multi-Purpose Staple Gun

United's HT5 Multi-Purpose Staple Gun is designed for accuracy, durability and safety. This 2-in-1 staple gun can be used with staples and brads, eliminating the need for two tools and saving space. The HT5 also features a refill window to easily see when it needs reloading.

The HT5 is constructed with a rugged plastic body, an easy squeeze mechanism that uses 40% less force, and a surface that can be cleaned effortlessly— perfect for schools, churches, hospitals, offices, and at-home DIY'ers.
